Re: Novato Youth Football & Cheer Donations

Tax Payer ID: 68-0383055

The Board of Directors for the non-profit organization of Novato Youth Football & Cheer (NYF&C) is gearing up for the 2009 Football and Cheerleading Season. Our goal is to raise funds for our football and cheerleading programs. We hope we can count on your support in the form of a donation to the Novato Youth Football & Cheer program.

The NYFC program requires each participant to meet academic, age and weight requirements, as well as pay a registration fee each year. This registration fee only covers half of the cost of outfitting a participant. Because we receive no money from the school district or parks and recreation department, we depend upon the local support of business and civic organizations, like yours, to continue preparing children for the future. It is our belief and philosophy that we must maintain the lowest possible fee so that every youth who has the desire to participate will have the opportunity to do so.

Please join us in supporting Novato Youth Football & Cheer. The children will thank you tomorrow. We thank you today. If you have any questions please feel free to Kim Kvaal at 415-209-3832 or [kvaalfamily@gmail.com](mailto:kvaalfamily@gmail.com).

Sincerely,

**Kim Kvaal**
