

Home Versus Mira Loma This Sunday

We have our second home game this weekend as we host the Mira Loma Jr. Matadors. Due to some unforeseen challenges this year this will be Mira Loma's first game of the season. Let's all give them a warm welcome and be sure to cheer on their players as well as our own in a show of friendly, supportive competition.

Game start times are listed below. Weigh-in is 90 minutes before each game except for the Rumble Bees who will weigh-in at 7:00 am. Please check with your coach to determine what time your player should get to the field.

TEAM	GAME
Rumble Bees	8:00 AM
Mighty Bees	9:00 AM
Killer Bees	11:00 AM
Stingers	1:00 PM
Yellow Jackets	3:00 PM

Support Our Sponsors!

Novato Youth Football & Cheer relies on sponsors, individual donations and the proceeds from all our fundraising efforts to keep the program running each year. With that in mind, it is in our best interest to support our sponsors by giving them our business whenever we can. And be sure to let them know you appreciate their support when you are making your purchase. It really does benefit us all to keep these relationships going.

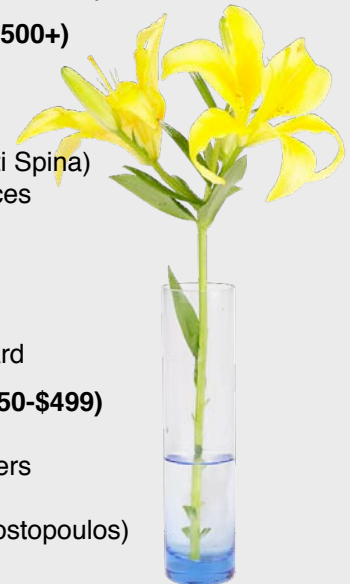

Listed here are our 2010 sponsors who have contributed \$250 or more. Be sure to check out the website for the full list of NYF&C sponsors!

The AYF NorCal Conference

As one of the newest members of the AYF NorCal Conference our Novato players have already seen some of the new competition on the field. Make sure to check out the NorCal Youth Football & Cheer website at <http://ncalfootball.com> for more information about the organization, teams and what you should expect in our new conference. Overall, it really looks like a great fit for our program.

Did You Know...?

The proceeds from football and cheer registration only cover 25% of our program's annual expenses. We rely on the generous support of business sponsors, individual donors and whatever we raise through our collective fundraising efforts to make up the difference. We also rely on participating families to donate their time volunteering for the various on-field activities to make it possible for our kids to perform every weekend.

Thank you for working with your team mom to do your part. And if for some reason you can't cover one of your committed volunteer times take responsibility, let someone know and step up to pay if we need to hire a local teenager cover for you. It works if we all work together.
